## APPLICATION FOR RESIDENTIAL "BACKDOOR" GARBAGE SERVICE

The City of Norris recognizes that some residents are physically unable to bring their garbage and recycling carts to the street curb or alley for weekly collection. Therefore, the City offers free "backdoor"<sup>1</sup> garbage services for those who qualify.

To qualify, you **must have a disability and/or physical limitations** preventing you from being able to bring the bin to the curb AND have no co-habitant, family member, friend, or neighbor on whom you can rely on to get the garbage to the street each week for collection.

To apply for this service, please complete the section that pertains to you and return it to: **City of Norris, PO Box 1090, 20 Chestnut Drive, Norris, TN 37828.**

<sup>1</sup> Backdoor Collection does not necessarily mean the cart placement is literally at your backdoor. The cart(s) can be placed up at your home in a convenient location so long as they are not up or down any stairs, behind any locked/enclosed fences or under any structures with a roof.
